> A NEWS Item says: Congressman Steenerson of Minnesota made this prediction oday (January Sist): "Scrap. That's all the telegraph and telephone poles, wires, and instruments will amount to in a year f the program now being made in wire less communication continues." Wireless communication will have become so gen eral by the end of the year 1919, Steener son said, that few persons will give muc concern about whether the Government of private interests control the country's tele-graph and telephone lines. There you are, young man; wake up! Get into the game while new Wireless is the greatest vocawhile new wireless is the greatest voca-tion you can take up, and you have the op-portunity right here at home to learn it in the largest radio school is America, which is fully equipped and it's instruc-tors all practical Government licensed men.
